

WEST INTERLAKE WATERSHED DISTRICT

FUEL STORAGE TANK(S) REBATE PROGRAM APPLICATION

Program Objective: to assist landowners in the purchase of new or the replacement of old fuel tanks in an effort to reduce a risk of contamination of the soil under and around fuel storage tanks, and subsequent risk of contamination to surface and / or to groundwater quality, or to public health and safety and create a safe environment in our watersheds.

Terms and Conditions

Eligibility

- **All projects must be approved by the Watershed District prior to purchase and installation.**
- Financial assistance provided only for purchasing **NEW DOUBLE WALL STATIONARY FUEL TANK**
- Land must be within the WIWD
- The cheque will be issued to applicant after the project is completed and inspected by WIWD representative.
- One application per landowner per year, dependant on Board approval

Roles and Responsibilities

The Applicant Shall:

1. Purchase and install **new double walled, ULC approved fuel storage tank(s)** in accordance with all relevant provincial regulations and permit requirements for Manitoba.
2. Provide copies of the receipts and permits (if applicable) to the WIWD Office before March 31 of fiscal year.
3. If due to unforeseen circumstances Project cannot be completed in current fiscal year, it is Applicant's responsibility to submit a letter with a request to withdraw the Application as soon as possible, but no later than January 31 of the current fiscal year, in order to be eligible to reapply for the following Fiscal Year. Failure to do so may result in Applicant's Application for this Programing to be denied in future years.
4. Be responsible for required maintenance following the completion of the project.
5. Grant consent of entry to the District, its agents, servants, and/or employees with the necessary equipment for inspection, advertisement of the project and the right to publish the applicant's name.
6. Not alter, remove, or modify the project without written consent of the District
7. Indemnify and save harmless the WIWD, their agents, engineers, servants, and/or employees from any liability which may result from this project

The WIWD Shall:

1. Provide funding up to \$ 500.00 and project supervision

General Information

The annual projects resulting from this program are subject to available annual funding. The Watershed District will determine application priorities in consultation with Sub District members and District staff. **All projects must be approved by the Watershed District prior to construction and/or installation.**

I hereby declare that I have read and understand the Terms and Conditions of the Riparian Management Program and agree to abide to the said Terms and Conditions if my application is approved and cooperate with the WIWD in completing and maintaining the project as outlined.
