Terms and Conditions

Eligibility

1. **All projects must be approved by the Watershed District prior to construction and/or installation.**
2. Land must be within the WIWD
3. The WIWD will fund up to \$1,000.00 (plus GST) for abandoned well sealing
4. The WIWD will fund up to \$1,000.00 (plus GST) for flowing well
5. The WIWD will fund up to \$ 1,000.00 (plus GST) for well head upgrades
6. One application per registered landowner per year, dependant on Board approval

Roles and Responsibilities

The Applicant shall:

1. If for any reasons the Applicant cannot start and complete the Project by the end of Fiscal Year (March 31), it is Applicant's responsibility to submit a letter with a request to withdraw the Application as soon as possible, but no later than January 31 of the current year, in order to be eligible to reapply for the following Fiscal Year. Failure to do so may result in Applicant's Application for this Programing to be denied in future years.
2. Grant consent of entry to the District, its agents, servants, and/or employees with the necessary equipment for inspection, advertisement of the project and the right to publish applicant's name.
3. Not alter, remove, or modify the project without written consent of the District
4. Indemnify and save harmless the WIWD, their agents, engineers, servants, and/or employees from any liability which may result from this project
5. Allow signage to be placed at project site
6. Be responsible for the remaining costs (plus GST) over the Watershed District maximum of \$1,000.00 for abandoned well sealing and flowing wells and well head upgrades.

The WIWD shall:

1. Provide technical advice, funding and project supervision

General Information

The annual projects resulting from this program are subject to available annual funding. The Watershed District will determine application priorities in consultation with sub district members and district staff. **All projects must be approved by the Watershed District prior to construction and/or installation.**

I hereby declare that I have read and understand the Terms and Conditions of the Drinking Water Management Program and agree to abide to the said Terms and Conditions if my application is approved and cooperate with the WIWD in completing and maintaining the project as outlined.
